discretion, withdraw the prize(s). Where a prize has been withdrawn in accordance with this clause, no refund, substitute or compensation will be offered and if the prize is a ticket, the winner and any person has purchased or otherwise bears that ticket will be refused entry.

4. The Promoter accepts no responsibility for late, lost or misdirected entries or other communications. The Promoter assumes no responsibility for any failure to receive an entry or for inaccurate information or for any loss, damage or injury as a result of technical or telecommunications problems, including security breaches, theft or destruction, any cause beyond the Promoter's control, or unauthorised access to or alteration of the promotion. If such problems arise, then the Promoter may (where necessary with the approval of the relevant lottery authority) modify, cancel, terminate or suspend the promotion. Further, the Promoter at its sole discretion may recommence this promotion under the same conditions.
5. If any prize becomes unavailable for reasons beyond the Promoter's control, the Promoter may substitute a prize of equal or greater value, subject to any written directions from the various authorities.
6. All reasonable attempts will be made to contact the winners. If a winner does not claim their prize by the Second Chance Draw date, their entry will be deemed invalid and the Promoter may conduct the Second Chance Draw, subject to relevant regulatory authority instructions.
7. If an entrant's contact details change at any time between the date which they enter the promotion and the Second Chance Draw date, that entrant must notify the Promoter of their correct contact details immediately.
8. The Promoter reserves the right to request verification of age, identity, residential address of winners and any other information from entrants relevant to entry into or participation in this promotion. Verification is at the discretion of the Promoter, whose decision is final. The Promoter reserves the right to disqualify any individual who provides false information, fails to provide information, is in breach of these conditions, provides entries that are offensive or otherwise inappropriate in the sole opinion of the Promoter, conspires with others to gain an unfair advantage or who is otherwise involved in any way in manipulating, interfering or tampering with the conduct of this promotion, or who has engaged in any unlawful or other improper misconduct calculated to jeopardise the fair and proper conduct of the promotion. The Promoter's legal rights to recover damages or other compensation from such an offender are reserved.
9. If consumers are required to purchase a product to enter, then it is a condition of the prize being awarded to the winner that the winner retain a clear copy of their original receipt and provide it to the Promoter as proof of a valid purchase to enter this promotion.
10. The Promoter shall not be liable for any loss, damage or injury suffered or sustained (even if caused by negligence) as a result of accepting and/or using a prize or in relation to the promotion, except for any liability which cannot be excluded by law.
11. Any prize supplied by a third party supplier is subject to the terms and conditions of that third party supplier. The Promoter is not responsible or liable for any loss, damage or injury suffered by any winner as a result of the conduct of any third party supplier or otherwise as a result of the winner accepting and/or using a prize (even if caused by negligence), except for any liability which cannot be excluded by law. Nothing in these conditions restricts, excludes or modifies or purports to restrict, exclude or modify any statutory consumer rights under any applicable law including the Competition and Consumer Act 2010 (Cth).
12. If in the conduct of this Promotion, the Promoter is liable for a breach of any guarantee, warranty, condition or other term that applies under the Competition and Consumer Act 2010 (Cth) or is implied by any other commonwealth, state or territory law that cannot by law be excluded, the Promoter's liability under that legislation is limited, to the extent permitted by law, to the cost of replacement of any benefit or prize won.
13. Without limiting the previous paragraph, the Promoter and its associated agencies and companies will not be liable for any damage, loss or delay in transit to the prize.
14. Before the prize is awarded, the winner and any other person(s) sharing the prize with the winner may be required to sign an agreement to release the Promoter from any liability arising from the use or participation in the prize.
15. Entrants consent to the Promoter using their name, image and/or voice in the event that they are a winner in any media for an unlimited period of time without remuneration for the purpose of promoting this promotion (including any outcome) and/or promoting any products manufactured, distributed and/or supplied by the Promoter.
16. Entrants confirm and promise that their entry is original and does not infringe the intellectual property rights of any third party. If the entry or any part of the entry is provided to the entrant by a third party, the entrants warrant that they have obtained the relevant copyright and other intellectual property rights permission to submit the entry for the purposes of this promotion. Further, entrants agree that the Promoter has an unrestricted, irrevocable, transferable, divisible right and licence to use and modify their entry (including but not limited to amending, editing, selecting, cropping, retouching, adding to or deleting from any part of the submitted entry) for the purposes of the Promoter's business including for promotional purposes without the payment of any further fee or compensation. If requested by the Promoter, the entrant agrees to sign any further documentation required by the Promoter to give effect to this arrangement. To the extent permitted by law, entrants unconditionally and irrevocably consent to any act or omission that would otherwise infringe any moral rights in their entry. Entrants agree to indemnify the Promoter, its associated agencies against all losses, damages, claims and costs by third parties arising out of, connected to or resulting from a breach of the warranty set out in this condition.
